If any parts are missing or damaged contact your CLARKE dealer immediately.

SAFETY PRECAUTIONS

1. **NEVER** allow the creeper to be used as a plaything such as a skateboard. Keep children away at all times...this is NOT a toy.
2. **ALWAYS** use on a hard level surface, not in the vicinity of drains, holes, curbs, cracks etc., as this could cause serious damage to the castors.
3. **ALWAYS** check your car creeper regularly for damage before use and if any is apparent, have it repaired before use. Remember, broken, worn or missing parts could result in injury.
4. **DO NOT** modify this product in any way. Unauthorized modifications may impair the function and/or safety and could effect the life of the product.
5. **DO NOT** exceed the maximum rated load capacity.
6. **DO NOT** stand on the car creeper or use as a stepping device.
7. **ALWAYS** sit down slowly & carefully on the creeper to avoid shock loading.
8. **DO NOT** place under a car tyre to move or reposition a vehicle.
9. **ALWAYS make sure the vehicle being worked on is properly supported with axle stands and the wheels are chocked before going under the vehicle.**
10. **DO NOT** drop the creeper onto the ground.
11. When not in use, it should be stored carefully and not left lying around for others to trip over.

ASSEMBLY

1. Fit each castor to the creeper body using the fastenings provided.
2. Insert the coachbolts through the castors from below, inserting the spacers into each of the mounting holes before adding the washers and locknuts from above.
3. Use the nut key supplied, or a suitable socket wrench to tighten the nuts.
