CAR RAMPS CR2000 & CR2500W

Part Nos 7610149 and 7610153

INSTRUCTIONS FOR USE - (PLEASE KEEP)

These ramps are suitable for most low ground clearance cars but check that car valance clears ramp when driving up.

1. Place ramps (and CR-EX1 extensions if used) on firm ground and only use in pairs.
2. Use on a hard level surface e.g. concrete.
3. Check the ramps are correctly in position before mounting.
4. Ensure tyres are fully inflated.
5. Use only as a pair - front or rear wheels - not one side of the vehicle.
6. Take great care to drive up centrally.

7. Take extra care with 3-wheeled vehicles/trailers.
8. After mounting, apply handbrake and chock wheels.
 - A slight set may occur in the ramps on first use, this will not impair the future use of the product.
