OPERATION & MAINTENANCE
INSTRUCTIONS

INTRODUCTION

Thank you for purchasing this CLARKE Safe. Before attempting to operate the safe, it is essential that you read this manual thoroughly and carefully follow all instructions given. In doing so you can look forward to the safe giving you long and satisfactory service.

GUARANTEE

This CLARKE product is guaranteed against faulty manufacture for a period of 12 months from the date of purchase. Please keep your receipt as proof of purchase.

This guarantee is invalid if the product is found to have been abused or tampered with in any way, or not used for the purpose for which it was intended.

Faulty goods should be returned to their place of purchase, no product can be returned to us without prior permission.

This guarantee does not effect your statutory rights.

REPLACEMENT KEY

A small label is located on the front of each safe with a key number. The number will contain several digits. This number must be registered with us in the event you require a replacement key.

Please register your safe on the website listed on page 3. If you fail to register the safe we will not be able to provide you with a replacement key.

We recommend that in addition to registering you remove the label from the safe and fix it to the space on page 3. Please retain this document for future reference.

INSTALLING THE SAFE

The safe should be secured vertically to a wall, cupboard shelf or to the floor using the expansion bolts (supplied).
