SAFETY PRECAUTIONS

1. Keep the work area tidy & well lit and keep children and visitors away.
2. **DO NOT** exceed the stated capacity of the truck.
3. **ALWAYS** load the platform evenly with the centre of gravity of the load over the centre of the platform.
4. **DO NOT** bounce the truck over rough ground or down curbs etc. Use ramps wherever possible.
5. **DO NOT** drop or lay the trolley down when heavily loaded.
6. **DO NOT** transport a tall load which may impair your forward view.
7. **ALWAYS** take extra care if transporting a wide load.
8. **ALWAYS** ensure the load is stable before attempting to move the truck.
9. **ALWAYS** take care that the heaviest part of a tall load is to the bottom of the truck touching the frame. When stacking loads ensure that the height of the stack does not extend above the handle.

FOLDING & UNFOLDING THE TRUCK

Unfold the platform by pushing it down and the wheels automatically open out. Press the button in the centre of the cross-beam and pull the handle upwards until it locks into position.

To fold the platform away, pull it up until it lies flat against the back support with the wheels automatically folded away and then lower the handle.
