

WELDING BLANKET

Model No: WB1

Part No: 6000924

GENERAL SAFETY WARNINGS

- Use this welding blanket for protection of objects and the surrounding work area against sparks and spatter from welding and cutting.
- Always use the welding blanket for the duration of exposure to hazards. Stop work if the blanket becomes damaged.
- Welding blankets should be checked after use for integrity and replaced if damaged.
- This welding blanket contains fibreglass which may cause eye or skin irritation. Always wash hands with soap and water if handling the blanket without gloves. If irritation of the eyes occurs, flush with clean water. If irritation persists, seek medical attention.
- Due to the variation in the use of this blanket, no warranty on the blankets use is implied or intended. The user is responsible for determining whether this product will provide adequate protection for the application. If in doubt, consult a qualified safety advisor.

Please keep these warnings in a safe place for future reference.

This product is guaranteed against faulty manufacture for a period of 12 months from the date of purchase. Please keep your receipt which will be required as proof of purchase.

This guarantee is invalid if the product is found to have been abused or tampered with in any way, or not used for its intended purpose. Faulty goods should be returned to their place of purchase, no product can be returned to us without prior permission. This guarantee does not effect your statutory rights.
